

The Archers of Caledon Booking System October 2016

1) The root link to the booking system is as follows:

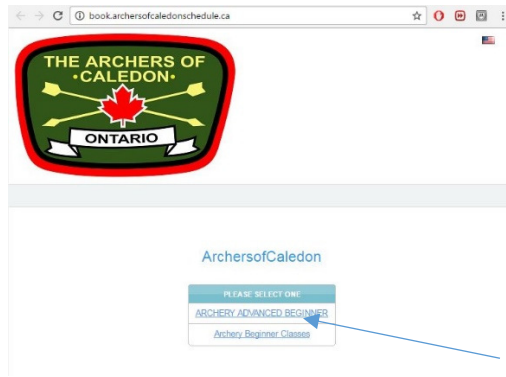

<http://book.archersofcaledonschedule.ca/>

The system is accessible to anyone to sign up and create an account to participate in Archers of Caledon events and programs.

The booking system is working with a credit system. This is in place to handle discounts or rates based on membership and age classification.

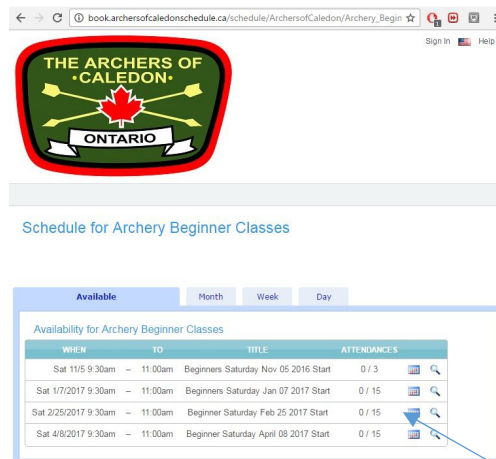

Payment to purchase is processed through Paypal. Paypal will process most major credit cards without having a Paypal account. Having a Paypal account reduces repetitive entry of information similar to the benefit of the booking system. If there is some reason that you are unable to provide payment through Paypal we can accommodate other options upon request.

2) The webpage will look as follows (Oct 2016)

Detail event listing

The system will be set-up to send out reminder emails the week prior to the event (specific number of dates to be determined).

In the case of our indoor events that are limited to a given number of spaces (not presently a problem yet for outdoor events) there will be an option to be put on a waitlist. In the case of a cancellation ahead of the event – the wait listed person can be automatically placed in the event if there are sufficient credits available.
